Leadership Ellsworth County

Creating today's leaders for tomorrow's  
future of Ellsworth County

"The Leadership Ellsworth County experience introduces a refreshing perspective on fundamental leadership concepts. These very simple and powerful tools equipped me with a renewed sense of personal confidence and accountability. I highly recommend it to anyone seeking enlightened strategies to vastly energize their personal and organizational success."

# -THE CURRICULUM-

When you think about the future of Ellsworth County, what concerns you the most?

1.

What makes progress difficult?

2.

What kind of leadership will it take?

3.

*Leadership Ellsworth County is a skills-based leadership program. We will grapple with the tough questions and the possible solutions, while utilizing a set of principles and competencies that are highly effective and were developed by our partners at the Kansas Leadership Center in Wichita, Kansas.*

## Leadership Principles:

Leadership starts with you and must engage others

Leadership is an activity, not a position

Anyone can lead, anytime, anywhere

Leadership is risky

Your purpose must be clear
